GIRIRAJ Electronics is a leading Company Manufacturing since 1988 the Electronic Products like Inverters, UPS, Alkaline Water Ionizer, Solar Power Plant, Shirodhara Machine (Used for Ayurvedic Panch Karma), R.O. Water Purifier Plant, Industrial Electronic Equipments etc. As - compared to other products available in the market, **GIRIRAJ** products are manufactured with Advanced Technology & more useful in Energy saving.

Since 1996, **GIRIRAJ** Electronics is actively connected in the area of Solar Power Energy & other Renewable Energy. After working long on advance Technology in Electronics by our R & D Team & after in-depth study of latest Technology of Cars / Bikes & other Vehicles & carrying out various experiments for more than 3 years, about the side effect etc, we have successfully developed **Water Powered Fuel Saver Kit**.

Advantages of **GIRIRAJ** Fuel Saver Kit

1. It can be used in any Vehicle with any kind of Fuel Like Petrol, Diesel, Gas etc.
2. Vehicles consume less fuel & their exhaust contains less Emission which is very useful for Environment.
3. It increases Engine Power / Pick-up & reduces Engine Noise & vibration.
4. Increases the life of Battery to easy start during cold start of the Engine.
5. Reduces carbon deposition in Engine which increases the life of Engine.
6. Engine runs smoothly on top gear with low speed.
7. It increases Fuel Efficiency / Fuel Average by 10% to 30%.
