

# H•RICH

Anti-oxidant **Alkaline Water** Ionizer

# What is ni-Tech H-Rich Water?

About ni-Tech **H-Rich** Alkaline Machine.

The revolutionary **Hydrogen-Rich** Alkaline Water System, exclusively developed at **NISHAL TECHNOLOGIES**. Inventory transforms normal tap water into pure hydrogen-rich alkaline drinking water with just a few remote commands. It features multi stage filtration (Sediment filter + Carbon filter + UF Filter + Electrolysis) for anti-oxidant rich drinkable water.

ni-Tech **H-Rich** Alkaline Water System will ensure safe drinking water for you and your loved ones.
